Section 3: Maintenance Issues

You are expected to maintain the property and keep it in the same condition when you took possession. The ONLY repairs that are required from the owner are due to normal wear, which will be made by AMG. However, you will be charged for any repairs/damage caused by misuse or neglect. You are responsible for stopping further damage from occurring, if possible. If there is a leak, please **Stop** the water source immediately. If an electrical issue arises, WAIT for the repairman to arrive. AMG will make any necessary repairs. **You will not be reimbursed for any unauthorized repairs you make.** If you take it upon yourself to contact a vendor, you will be responsible for any and all repairs as well service calls. AMG will NOT reimburse you. All repairs have to be authorized through the AMG office.

Tenants are responsible for the following items:

- All light bulbs
- A/C filters (if applicable)
- Smoke/CO alarms (replace batteries)

How to Submit a Maintenance request:

Online through your Tenant Portal

Call the 24/7 Maintenance line: (619) 824-3254

Maintenance Emergencies:

- If the emergency is Life Threatening or Fire please call 911. If there is a GAS LEAK call SDGE first before calling AMG.

- If there is a water leak, attempt to turn off the water at the main water shut-off valve. Most sinks and all toilets have shut-off valves (angle-stops).
- If a toilet is clogged, do **NOT** flush. If you feel it may overflow, attempt to bail out the water to another drain, bucket or mop up spill.

Section 5: Renters Insurance

We strongly recommend that all residents obtain renters insurance to protect them in the event of loss, due to flooding, water damage, fire, theft and vandalism, etc... Most home owners insurance on the property does NOT cover you or your possessions. The hold harmless clause states that you do not and will not hold the owner or agent responsible for any damages or injury. We will request proof of insurance to be emailed to us at info@amgsd.com

Section 6: Security Deposit

The security deposit has been collected and deposited into a trust account or turned over to the owner. This deposit is held to cover cost to repairs or damages caused by resident. **THE SECURITY DEPOSIT MAY NOT BE USED FOR LAST MONTHS RENT OR CLEANING COSTS.** If no rent deficiency or damages exist, it is fully refundable within twenty-one (21) days after vacating the premises. Landlords may legally ask for up to 2x the rent.

Section 7: Pets

Pets that are permitted are the sole responsibility of the resident. The initialed agreement states that you are and will be responsible for your pet. A renter with a pet will have to pay the max rental deposit a landlord is permitted to ask for in CA (2x the rent). The higher rental deposit asked is not a pet deposit but a higher security that the property will be returned in the condition we gave it. At the termination of tenancy, you will be responsible for the deep cleaning and deodorizing of the carpets, for spraying for fleas and /or repairs of any damage caused by the pet. If you fail to do this, you will be charged from your Security Deposit.

If pets are found to be in or outside of your unit/residents without written permission, you are in breach of your lease agreement and can be evicted. If you bring a pet to the property (even for a visit) please verify if you are allowed to have pets on the property. If you are thinking about getting a pet, please put your request in writing. If pets are allowed, you will have to sign an addendum and additional rental deposit charges may vary.

Section 9: Keys & Locks

All locks are rekeyed with each new resident. Keys are issued at the time of possession. Alterations or replacement of locks, installation of bolts, knockers or other attachments to the interior or exterior of doors require approval from AMG.
